of

Shri Dr. V. R. Sirsath

Joint Director

MSME-DFO, Nagpur

Preface

"Nagpur, the vibrant city of Maharashtra, has long been a hub of industrial activity, driven by its strategic location, robust infrastructure, and entrepreneurial spirit. As the commercial capital of the Vidarbha region, Nagpur has emerged as a major player in India's industrial landscape. With a rich history of innovation and progress, the city has successfully attracted investments across various sectors, including manufacturing, IT, and logistics.

This industrial profile of Nagpur aims to showcase the city's industrial prowess, highlighting its key sectors, success stories, and growth drivers. From its thriving automotive and pharmaceutical industries to its burgeoning IT and food processing sectors, Nagpur's industrial landscape is diverse and dynamic. Through this profile, we seek to provide a comprehensive overview of the city's industrial ecosystem, highlighting its strengths, opportunities, and challenges. As Nagpur continues to evolve into a smart city of the future, this profile will serve as a valuable resource for investors, policymakers, and stakeholders looking to tap into the city's vast industrial potential."

Brief Industrial Profile of Nagpur District

1. **General Characteristics of the District:** For the purpose of administrative conveyance, the district is divided into Fourteen Tahsils and Thirteen Panchayat Samities. According to the 2001 Census, there was 776 Gram Panchayat for the purpose of Rural Development. The main crop grown in the district is paddy, Jowar, Soyabean, Cotton, Wheat, Gram, Ground Nut and Tur. Nagpur district stretches over an area of 9892 Sq. Km. Area under Urban sector is 364.66 Sq. Km. while the area under the rural sector is 9657.93 Sq. Km. In the terms of area, Nagpur district constitutes 3.21% of the total area of the Maharashtra State. Total population of the district according to 2011 census was 4654 Thousands out of which 2385 Thousands were males and 2268 Thousands were females. The ratio of male-female is 1000:951. Of the total population, 1475 Thousands is residing in rural area and 3178 Thousands is residing in urban area. The density of the population according to the 2011 census in the urban area is 8715 per sq km and in rural area is 153 per sq Km.

1.1 Location & Geographical Area:

It is practically at geographical center of India, in fact the zero milestone of India is in this city. All major highways NH-7 (Varanasi - Kanyakumari) & NH-6 (Mumbai - Sambalpur - Calcutta) and major railways trunk route (Mumbai, Chennai, Howrah & Delhi) pass through the city. Important Central & State Government offices and institutions are located in Nagpur. Industrial Development exists along the fringe areas like Kamptee, Hingna, Wadi, Khapri, Butibori and Kalmeshwar. Nagpur is 837 kms. From Mumbai, 1094 Kms south of Delhi, 1092 kms north of Chennai and 1140 kms west of Calcutta. Nagpur district lies between 20.35 to 21.44 North Latitude and 78.15 to 79.40 East Longitude. The surrounding region is an undulating plateau rising northward to the Satpura Range, from 889 to 2,142 feet (271 to 653 m) high and is drained by the Kanhan and Pench rivers in the center, the Wardha in the west, and the Wainganga in the east. Both these rivers later merge as tributaries into the Godavari River. The soil is fertile black (cotton) in the west and the north and alluvial in the east. The average annual rainfall is 45 inches, with more rain in the east than in the west. In the west, the hills are forested. In the northeast are the hills of Ramtek.

1.2 Topography:

Nagpur district lies between 20.35 to 21.44 North Latitude and 78.15 to 79.40 East Longitude., in the plain to which it gives its name at the southern base of the Satpuda Hills. It has an area of 9,892 Sq. km. The district is bounded on the north by the Chhindwada and Seoni districts of the Madhya Pradesh, on the east by Bhandara, on the south and west by Chanda and Wardha, respectively, and along a small strip on the north- west by the Amravati district. The northern range of hills extends along the whole border, being pierced only in two places where the Kanhan and Pench rivers have broken through. On the west it consists merely of the outlying foothills of the Satpudas, the plateau proper lying behind them in Chhindwada. But from the Kanhan to the Pench, it is the major range of the Satpudas themselves which dominates the landscape, and the ascent of the Khamarpani plateau is made in Nagpur. Along this length the hills are well wooded and picturesque, and there is some striking scenery on the Pench river. In the Archaean area the rocks are hidden beneath a considerable thickness of alluvial soil, deposited by the tributaries of the Kanhan and the Wainganga rivers. In the trappean area the soil is usually the black cotton soil known as Regur with Kankar, which is also found in the soils on the Archaean areas. The climate of this district is characterized by a hot summer, well distributed rain fall and dryness except in the rainy season. The cold season is from December to February and is followed by the hot season from March to May. The south-west monsoon season is from June to September while the period October-November constitutes the post-monsoon season.

1.3 Availability of Minerals.

Nagpur district is moderately rich in minerals. Deposits of Coal, Manganese ore, Dolomite, Limestone, Iron Ore, Clay, Copper Ore, Chromites, Tungsten Ore, Zinc Ore, Lead Ore, Granite, Quartz etc. are found in the district.

Coal reserves have been found in the North-West belt of the district i.e. from Saoner to Kanhan (Kamptee apart from the high coal found in umrer tahsil). Nagpur district is richly endowed with Manganese Ore and the district is well placed in the country as far as production of Manganese ore is concerned. Manganese ore is found particularly in Ramtek and Saoner tahsils. Good quality limestone is found in Kandri and Deolapar, Mica and Tungsten are also found in the district. The sand from Kanhan River is considered to be of high quality as far as the construction of building is concerned.

MINERAL RESERVES AS ON 31-03-2014

S.NO.	Name of Mineral	Total Reserves (Million Tonnes)
Major Mineral		
1	Manganese Ore	9.389
2	Coal	1294.79
3	Dolomite	28.740
Minor Minerals		
1	Limestone	31.700
2	Clay	3.555
3	Copper Ore	1.308
4	Chromite	0.056
5	Tungstone Ore	19.98
6	Zinc Ore	8.27
7	Granite	4.880

SOURCE:-Dept. of Geology & Mines, Nagpur

Coal : State of Maharashtra is endowed with large deposits of coal. The resources of coal in the State occurs in Nagpur, Chandrapur, Yavatmal and Wardha districts so far 5576 million tones of coal reserves are proved in the State.

Manganese Ore : The manganese ore deposits occurring in Central India are supposed to be the most promising deposits in the Country. The chief ore deposits in Maharashtra occur as an arcuate belt passes through Kandri-Mansar area of Nagpur district, which forms the middle portion of the belt- Dongri Budruk and Sitasongi in Bhandara district. Maharashtra is one of the leading Manganese ore producing State in India. Almost all Manganese ore production of the State comes from Nagpur and Bhandara. At present, the manganese ore in this area is mined by the public sector undertaking, namely the Manganese Ore India Limited and by several other small private mine owners. Besides, small occurrences of low grade manganese ore are found in Sindhudurg district. The total reserves of manganese ore in the State are estimated at 20.85 million tonnes. The manganese ore mined in the State is mostly utilized in the manufacture of ferromanganese, silicomanganese and iron and steel industries and to a small extent in production of battery cells.

Limestone : Extensive deposits of limestone occur in Yavatmal and Chandrapur districts of the State. Limestone is used for manufacturing cement, as flux in iron and steel industry and in the industries like paper, sugar, textile etc. The estimated reserves of limestone in the State are

1371.425 million tonnes. The limestone deposits are mostly located in Chandrapur, Yavatmal and Gadchiroli districts. Minor deposits are located in Nagpur district in the form of calcitic and dolomitic marbles in the Sausar Group of formations. The cement grade limestone is mostly confined to Rajur, Mukutban, Sindola-Paramodoh, Gowari-Pathri, Velabai-Kurai areas in Yavatmal district, Awarpur-Bakardi, Nokari-Kusumbi, Chandur-Thutra, Gojoli Somanpalli , Chedwai-Bari, Nandgaon-Ekodi, Lakhmapur-Pimpalgaon etc. areas in Chandrapur district and Devalmari-Kate palli area in Gadchiroli district.

Dolomite : Extensive deposits of dolomite occur in the districts of Chandrapur, Yavatmal and Nagpur in the State. Some of the dolomite produced in the State is at present utilized as flux in the iron and steel industry, as dust in the coal mines and for manufacture of mosaic tiles, etc.

Copper ore : Copper has undoubtedly the widest application of all the non-ferrous metals. Its physical properties provide a combination of a number of extremely useful characters which have provided it with the high position it holds amongst the base metals. Copper ore occurrences have been observed at Thanewasna, Dubarpeth in Chandrapur district, Pular-Parsodi, Ranbori-Kolar-Tambekhani, Ranmangli, Kitari, Thutanbori, etc. in Nagpur district. Geological Survey of India has carried out the exploration work in the Thanewasna and Thutanbori areas of Chandrapur and Nagpur districts respectively and GSI has indicated total reserves of Copper ore to be of the order of 7.70 million tonnes with copper content ranging from 0.81 to 2.73%.

Tungsten ore : Tungsten is a strategic mineral which is widely used in electrical and electronic industries. It has wide application in space technology, steel industry, etc. The tungsten ore occurs in Kuhi, Khobna, Agragaon, Ranbori, Kolari-Bhaori areas of Nagpur district. The reserves estimated for tungsten in the State is about 19.98 million tones. Geological Survey of India and Mineral Exploration Corp. Ltd. have carried out vigorous exploration work for tungsten in the above said localities.

Zinc Ore : Zinc is used in the various types of alloys, in manufacture of dry batteries, in textile industry, rubber industries, chemical and metallurgical industries etc. Zinc ore occurs in few localities of the State mostly in Nagpur district i.e. Anjani, Tambekhani, Kolari-Bhaori areas. The total reserves indicated by GSI in Nagpur district are about 8.27 million tonnes with 5.4% Zn.

Chromite : Chromite is mostly used in metallurgical, refractory and chemical industries. Small deposits of chromite are known to occur in Nagpur, Bhandara, Sindhudurg and Chandrapur districts of the State. The deposits of chromite in Sindhudurg district are located near Kankavali and Wagda and in Bhandara, Nagpur and Chandrapur districts, near the villages of Pauni, Taka, Dhamangaon and Ballarpur respectively. The State Department has proved 0.661 million tonnes of Chromite in the State.

1.4 Forest

During the reference year 2021-22, an estimated 2768 Sq KM of area was under forest which constituted 25.97% of the total area. Forest resources contribute significantly to the economy of the district. Most of the land under forest can be found on the banks of Pench River, at the foot hills of Satpuda in Ramtek taluk. Teakwood is available from these forests in sizeable quantity. The other resources are Tendu Patta, Gum, Bamboo, Grass etc.

1.5 Administrative setup

For the purpose of administrative conveyance, the district is divided into fourteen Tahsils and Thirteen Panchayat Samities. According to the 2001 Census, there are 764 Gram Panchayat for the purpose of Rural Development. The Geographical area of Tahsils is given in the Table.

Sl .No	Name of the Tahsil	Area in Sq. Km.
01	Nagpur Urban	217.17
02	Nagpur Rural	645.62
03	Hingana	792.94
04	Kamptee	392.19
05	Katol	909.02
06	Narkhed	711.92

3.3.1 Definition of MSME

MSME stands for Micro, Small, and Medium Enterprises. In accordance with the Micro, Small, and Medium Enterprises Development (MSMED) Act in 2006, the enterprises are classified into two divisions.

1. **Manufacturing enterprises** – engaged in the manufacturing or production of goods in any industry
2. **Service enterprises** – engaged in providing or rendering services

Micro, Small and Medium Enterprise (MSME) Definition

In 2020, the Government of India revised the definition and criteria for classifying Micro, Small, and Medium Enterprises (MSMEs) under the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006. The new classification for MSME Registration is based on a composite criterion of investment and turnover instead of the previous investment criterion only.

What is Micro Enterprise?

A micro-enterprise is defined as an enterprise having an investment in plant and machinery or equipment less than one crore rupees, with a turnover that does not surpass five crore rupees. A micro-enterprise can be engaged in manufacturing, services activities.

What is Small Enterprise?

A small enterprise is defined as an enterprise having an investment in plant and machinery or equipment that is less than 10 crore rupees, and the turnover does not exceed 50 crore rupees. A small enterprise can also be involved in manufacturing, services activities.

What is Medium Enterprise?

A medium enterprise is defined as an enterprise having an investment in plant and machinery or equipment that is less than 50 crore rupees. The turnover does not go over two hundred and fifty crore rupees. A medium enterprise can likewise be engaged in manufacturing, services activities.

3.10 Nagpur District ODOP

Nagpur city is the winter capital of the state of Maharashtra, famous throughout the country as “Orange City” as it is a major trade center of oranges cultivated in the region. The district is a highest exporter of rice followed by cotton and soyabean.

ODOP Products	HSN Code	District Hubs
Nagpur Orange	08051000	Warud, Katol, Saoner, Kalmeshwar and Narkhed
Bhiwapur Chilli	09042110, 09042211	Bhiwapur
Agarbatti	33074100	Umred and Nagpur
Cotton and Processing	52010014, 52010015, 52010019, 52052490	Kalmeshwar
Karvath Kati Saree and fabrics	54078470	Nagpur

Nagpur Orange

- Nagpur orange is GI tagged. The fruit has a pock marked exterior and sweet and juicy pulp.
- The orange crop here grows twice a year. It is rich source of Vitamins like C, A and B. It gives the city of Nagpur its pseudonym ‘Orange City’.

Agarbatti

- Agarbatti manufactured from district involves no chemicals and is a fast moving (FMCG) product with good shelf life. Agarbatti aroma is known to reduce anxiety and tension.

Karvath Kati Saree and fabrics

- Karvath Kati saree has originated from Vidarbha region of Maharashtra and is GI tagged due to its unique saw-edged pattern on the border. This saree is handcrafted using tussar silk, which is sourced from Nagpur, Bhandara and Gondia district. The border in the saree is woven with various temple design in different sizes, which makes this product unique.

Bhiwapur Chilli

- Bhiwapur chilli is GI tagged owing to dark reddish colour, unique taste which doesn’t affect the throat and esophagus and is excellent source of Vitamin A, B, B6 and C. It is grown in Bhiwapur village of Nagpur district.

Cotton and Processing

- 1.53 lakhs MT cotton is produced in Nagpur district annually. BT cotton grows in the district, which is pest resistant plant cotton variety. Cotton fibre is sustainable and natural polymer. It is 100% biodegradable.

3.11 Service Enterprises

Sr. No.	No. of Units	Employment	Investments (Lacs)	Production Capacity (Lacs)
1.	27870	100867	48810.30	213837.94

3.11.1 Potentials areas for service industry

- 1) Units engaged in Mining & Quarrying.
- 2) Servicing & Repairing of Machinery.
- 3) Advertising Agencies.
- 4) Marketing Consultancy.
- 5) Industrial Consultancy.
- 6) Equipment Rental & Leasing.
- 7) Industrial Photography.
- 8) Industrial R&D labs.
- 9) Industrial Testing Labs.
- 10) Auto Repairs, Services, Garages.
- 11) Laboratories engaged in testing of raw materials, finished products.
- 12) “Servicing Industry” undertakings engaged in maintenance, repair, testing, or servicing of all types of vehicles & machinery of any description including electronic/ electrical equipments/ instruments i.e. measuring/control instruments, televisions, tape recorders, VCRs, radios, transformers, motors, watches.
- 13) Laundry & Dry Cleaning.
- 14) X-Ray clinic.
- 15) Tailoring.
- 16) Servicing of Agri. Farm equipment e.g. Tractor, Pump, Rig, Boring Machines etc.
- 17) Weigh Bridge.
- 18) Photo graphic Lab.
- 19) Blue Printing and enlargement of drawing/designs facilities.
- 20) Sub-contracting Exchanges (SCXs) established by Industry Associations.
- 21) Coloured and Black & White Studios equipped with processing laboratory.
- 22) Beauty Parlors and Crèches

3.11.2 Potential for new MSMEs

1. Chilly Powder
2. Heat Treatment
3. Soyabean Products
4. Furniture (Iron/Wood)
5. Sweets
6. Orange Processing
7. Safety Boots
8. School Bags
9. Spices
10. Petroleum Jelly
11. Neem Kernel Oil
12. Herbal Cosmetics
13. Dairy Product
14. Exercise Note BOOKS
15. Bakery Product
16. Paper Napkins
17. Detergent Cake & Washing Powder
18. Ginger Oil
19. Menthol Crystals
20. White Phenyl
21. Menthol Oil, Clove Oil, Citronella Oil
22. Paper Plates
23. Paints
24. Mango Pickles
25. Potato Wafers.
26. RCC Pipes
27. Agarbatti Sticks
28. Papad
29. Extraction of Neem Oil
30. Bio Fertilizers

3.11.3. Skill development needed for the District:

1. English communication skills
2. Graphic design and computer skills
3. Personality development
4. Life skills counseling
5. Practical skills to thrive in the job market
6. Vocational and technical training programs for IT, healthcare and hospitality sectors
7. Soft skills development
8. Problem-solving and critical thinking skills
9. Experimental learning opportunities
10. Industry relevant expertise

4. Existing Clusters of Micro & Small Enterprise.

1.	1. Name of the Cluster	-	Women Garment Cluster
2.	2. Number of Units	-	100
3.	3. Product	-	Garment
4.	4. Employment	-	500
5.	5. Turnover of the cluster	-	12.68 Cr.
2.	1. Name of the Cluster	-	Bhivapur Chilli Cluster
2.	2. Number of Units	-	59
3.	3. Product	-	Chilli Power and spices
4.	4. Employment	-	350
5.	5. Turnover of the cluster	-	.25.00 CR
3.	1. Name of the Cluster	-	Agarbatti Cluster
2.	2. Number of Units	-	69
3.	3. Product	-	Agarbatti
4.	4. Employment	-	250
5.	5. Turnover of the cluster	-	8.89
4.	1. Name of the Cluster	-	Bhiwapur Chill & Spices Cluster
2.	2. Number of Units	-	55
3.	3. Product	-	Chilli Powder and Spices
4.	4. Employment	-	400
5.	5. Turnover of the cluster	-	4.50 Cr
5.	1. Name of the Cluster	-	Artifact Cluster
2.	2. Number of Units	-	134
3.	3. Product	-	Paper and Fabric Art Artistic Work Art Products
4.	4. Employment	-	2000
5.	5. Turnover of the cluster	-	5.00 Cr
6.	1. Name of the Cluster	-	Umred Garment Cluster
2.	2. Number of Units	-	80
3.	3. Product	-	Gents Wear, Kurties, Shirt Pant, Uniforms
4.	4. Employment	-	250
5.	5. Turnover of the cluster	-	3.00 Cr.
7.	1. Name of the Cluster	-	Women Garments and fashion designing Cluster
2.	2. Number of Units	-	138
3.	3. Product	-	Ladies wear, Kurties, Dungrees, uniforms
4.	4. Employment	-	200
5.	5. Turnover of the cluster	-	1.00 Cr.

8.	1. Name of the Cluster	-	Boutibori Basic Apparel Cluster
	2. Number of Units	-	60
	3. Product	-	Suits and Jackets
	4. Employment	-	200
	5. Turnover of the cluster	-	5.00 Cr.
9.	1. Name of the Cluster	-	Electronic Cluster
	2. Number of Units	-	52
	3. Product	-	Electronic Products
	4. Employment	-	850
	5. Turnover of the cluster	-	24.36 Cr.
10.	1. Name of the Cluster	-	Readymade Garments Cluster
	2. Number of Units	-	1000
	3. Product	-	Readymade Garments
	4. Employment	-	11000
	5. Turnover of the cluster	-	700.00 Cr.
11.	1. Name of the Cluster	-	Nagpur Dal Mill Cluster
	2. Number of Units	-	100
	3. Product	-	Tur and Chana Dal
	4. Employment	-	2200
	5. Turnover of the cluster	-	1000.00 Cr.
12.	1. Name of the Cluster	-	Rice Mill Cluster
	2. Number of Units	-	89
	3. Product	-	Rice
	4. Employment	-	2295
	5. Turnover of the cluster	-	316.00 Cr.
13.	1. Name of the Cluster	-	Auto & Engineering Cluster
	2. Number of Units	-	795
	3. Product	-	Auto and Machinery Parts
	4. Employment	-	12000
	5. Turnover of the cluster	-	2880.00 Cr.
14.	1. Name of the Cluster	-	Textile Cluster
	2. Number of Units	-	2568
	3. Product	-	Cotton Lint, Cotton Yarn and Saree
	4. Employment	-	30000
	5. Turnover of the cluster	-	2338.00Cr.

5. General issues raised by industry association during the course of meeting.

- (1) Capital Incentives for MSME**
- (2) Expansion of Existing Industrial Area**
- (3) Load shedding in Rural Area**

6. District Statistics of PM Vishwakarma Scheme *Chart 1.8*

Chart 1.8

6.1 PM Vishwakarma Scheme Trade Potential

The total application which recommended by the banks and received as on 22/07/2024 were 8333 out of which the major part of trades were Barber - 19% Carpenter - 19% and Masons – 27% whereas rest of the 14 trades cover only 35%. The artisans of the three major trades may be given training of the new technology.

6.2 Gender based % registration in PM Vishwakarma Scheme. *Chart 1.8 A*

Chart 1.8 A

7. How Government Supports MSME's

The Government of India provides various support to Micro, Small and Medium Enterprises (MSMEs) through several initiatives and schemes.

- 1. Financial Support:** Government provides financial assistance through schemes like Mudra Loan, Credit Guarantee Scheme, and Standup India.
 - 2. Technology Upgradation:** Government provides support for technology upgradation through schemes like Credit Linked Capital Subsidy Scheme (CLCSS) and Technology Upgradation Fund Scheme (TUFS).
 - 3. Marketing Support:** Government provides marketing support through schemes like Marketing Assistance Scheme (MAS) and International Trade Fairs.
 - 4. Skill Development:** Government provides training and skill development programs through schemes like Entrepreneurship Development Programmes (EDP) and Skill Development Initiative (SDI).
 - 5. Infrastructure Support:** Government provides infrastructure support through schemes like creation of Industrial Estates, Flatted Factory Complexes, and Technology Parks.
 - 6. Regulatory Support:** Government provides regulatory support through simplification of procedures, reduction of compliance burden, and implementation of Ease of Doing Business initiatives.
 - 7. Tax Benefits:** Government provides tax benefits like reduced tax rates, exemptions, and deductions to MSMEs.
 - 8. Research and Development:** Government supports R&D activities in MSMEs through schemes like Technology Development Fund (TDF) and Research and Development (R&D) scheme.
 - 9. Export Support:** Government provides support for exports through schemes like Merchandise Exports from India Scheme (MEIS) and Service Exports from India Scheme (SEIS).
 - 10. Digital Empowerment:** Government provides digital empowerment through initiatives like Digital MSME Scheme and e-Marketplace for MSMEs.
- A. The Government of India offers several financial support schemes for MSMEs, including¹:**
- **Pradhan Mantri Mudra Yojana (PMMY):** This scheme provides loans up to Rs. 20 lakh to non-corporate and non-farm small or micro-enterprises.
 - **Prime Minister's Employment Generation Programme (PMEGP):** This scheme focuses on generating self-employment opportunities to the unemployed youth and traditional artisans through micro-enterprise establishments in the non-farm sector.
 - **Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE):** This scheme provides financial assistance to small and medium industries without any third-party guarantee or collateral.
 - **Credit Linked Capital Subsidy Scheme (CLCSS):** This scheme provides 15% subsidy for

additional investment up to Rs.1 crore for technology upgradation by MSMEs.

- **Fund of Funds:** This scheme provides equity funding for MSMEs who have growth potential and viability.
- **Credit Guarantee Scheme for Subordinate Debt (CGSSD):** This scheme extends support to the promoters of the operational MSMEs which are stressed and have become NPA.
- **SIDBI Make In India Loan For Enterprises (SMILE):** This scheme provides a soft loan in the nature of quasi-equity to MSMEs to meet the required debt-equity ratio for their establishment.
- **MSME Business Loan:** This scheme aims at automation and digitisation of various processes of business loans offered, which includes the term loans, working capital loans and mudra loans

B. The Government of India provides various technology upgradation support schemes to MSMEs, including:

1. **Credit Linked Capital Subsidy Scheme (CLCSS):** Provides 15% subsidy for additional investment up to Rs.1 crore for technology upgradation.
2. **Technology Upgradation Fund Scheme (TUFS):** Provides financial assistance for technology upgradation in the textile sector.
3. **Scheme for Upgradation of Technology (SUT):** Provides financial assistance for technology upgradation in the leather sector.
4. **Integrated Development of Leather Sector (IDLS):** Provides financial assistance for technology upgradation and modernization in the leather sector.
5. **Technology Development Fund (TDF):** Supports R&D and technology development in MSMEs.
6. **Micro and Small Enterprises - Cluster Development Programme (MSE-CDP):** Supports technology upgradation and modernization in MSME clusters.
7. **Scheme for Productivity and Quality Improvement (SPQI):** Provides financial assistance for technology upgradation and quality improvement.
8. **National Manufacturing Competitiveness Programme (NMCP):** Supports technology upgradation and modernization in MSMEs.
9. **Technology and Quality Upgradation Support (TQUS):** Provides financial assistance for technology upgradation and quality improvement.
10. **Digital MSME Scheme:** Supports digital upgradation and technology adoption in MSMEs.

C. The Government of India provides various marketing support schemes to MSMEs, including:

1. **Marketing Assistance Scheme (MAS):** Provides financial assistance for marketing activities like trade fairs, exhibitions, and publicity.
2. **International Trade Fairs (ITF):** Supports participation in international trade fairs and

exhibitions.

- 3. MSME Market Development Assistance (MDA):** Provides financial assistance for marketing activities like product development, packaging, and branding.
- 4. National Small Industries Corporation (NSIC):** Offers marketing support services like market research, product development, and packaging.
- 5. MSME Export Promotion Council (MEPC):** Supports MSMEs in international trade and marketing.
- 6. District Industries Centers (DICs):** Provides marketing support services like product development, packaging, and branding.
- 7. Technology Upgradation and Quality Certification (TUQC):** Supports technology upgradation and quality certification for MSMEs.
- 8. Geographical Indication (GI) Registration:** Helps MSMEs to register their products with GI tags, promoting their unique identity.
- 9. Public Procurement Policy for MSEs:** Reserves 20% of government procurement for MSMEs.
- 10. E-Marketplace for MSMEs:** An online platform for MSMEs to market and sell their products.

D. The Government of India provides various skill development support schemes to MSMEs, including:

- 1. Entrepreneurship Development Programmes (EDP):** Training programs for entrepreneurs to develop skills and knowledge.
- 2. Skill Development Initiative (SDI):** Training programs for workers and supervisors in MSMEs.
- 3. National Manufacturing Competitiveness Programme (NMCP):** Supports skill development and training in MSMEs.
- 4. Lean Manufacturing Competitiveness Scheme (LMCS):** Implements lean manufacturing techniques and trains workers.
- 5. Technology Upgradation and Quality Certification (TUQC):** Supports technology upgradation and quality certification.
- 6. MSME Technology Development Fund (MTDF):** Supports R&D and technology development.
- 7. National Small Industries Corporation (NSIC):** Offers training programs for MSMEs.
- 8. District Industries Centers (DICs):** Provides training programs for MSMEs.
- 9. Apprenticeship Training Scheme (ATS):** Supports apprenticeship training in MSMEs.
- 10. Vocational Training Programme (VTP):** Training programs for workers in MSMEs.

E. The infrastructure support for MSMEs (Micro, Small, and Medium Enterprises):

- 1. Industrial Estates:** Several industrial estates which provide land, infrastructure, and facilities for MSMEs.

- 2. Industrial Sheds:** Many industrial sheds are available for rent or sale, offering space for manufacturing and storage.
- 3. Power Supply:** Reliable power supply is ensured through the Maharashtra State Electricity Distribution Co. Ltd. (MSEDCL).
- 4. Water Supply:** Sufficient water supply system, with the Municipal Council and Maharashtra Jeevan Pradhikaran (MJP) providing water connections to industries.
- 5. Transportation:** Good connectivity via roads (National Highway and State Highway) and railways, facilitating easy transportation of goods and raw materials.
- 6. Telecommunication:** Reliable telecommunication services, including internet, phone, and mobile networks, are available.
- 7. Skilled Manpower:** District has a pool of skilled and unskilled workers, with training facilities like the Industrial Training Institute (ITI) and vocational training programs.
- 8. Financial Assistance:** Various banks, financial institutions, and government schemes (e.g., Mudra Bank, CGTMSE) offer financial assistance to MSMEs.
- 9. Regulatory Support:** The District Industries Centre (DIC) and Maharashtra Small Scale Industries Development Corporation (MSSIDC) provide support with licensing, registrations, and other regulatory requirements.
- 10. Research and Development:** Nearby institutions like the National Research Centre for Citrus (NRCC) and the Maharashtra Agricultural University (PDKV) offer R&D facilities and expertise.

F. The regulatory support for MSMEs includes:

- 1. District Industries Centre (DIC):** Provides support with licensing, registrations, and other regulatory requirements.
- 2. Maharashtra Small Scale Industries Development Corporation (MSSIDC):** Offers assistance with land allocation, subsidies, and other incentives.
- 3. Maharashtra Pollution Control Board (MPCB):** Helps with environmental clearances and compliance.
- 4. Labour Department:** Assists with labour laws and regulations compliance.
- 5. Maharashtra Electricity Regulatory Commission (MERC):** Ensures reliable power supply and resolves power-related issues.
- 6. Maharashtra Industrial Development Corporation (MIDC):** Provides infrastructure support and industrial land.
- 7. Central Government schemes:** MSMEs can avail benefits from schemes like Make in India, Startup India, and Mudra Bank.
- 8. State Government schemes:** MSMEs can benefit from schemes like Maharashtra Industrial Policy (2019), Maharashtra Startup Policy (2018), and Maharashtra Electric Vehicle Policy (2018).
- 9. Registration and Licensing:** MSMEs can register and obtain licenses from the DIC, MSSIDC,

and other authorities.

10. Compliance and Advisory: MSMEs can seek advice from various agencies and consultancies on regulatory compliance.

G. Some notable initiatives and schemes for MSMEs include:

- Maharashtra Government's "Magel Tyala Paisa" scheme for MSMEs
- "MSME Sambandh" - a web portal for MSMEs
- "Udyog Aadhaar" - a registration scheme for MSMEs
- "Zero Defect Zero Effect" - a scheme for quality improvement

H. MSMEs (Micro, Small, and Medium Enterprises) in Maharashtra, can avail of various tax benefits, including:

- 1. Income Tax Exemption:** MSMEs with a turnover of up to ₹50 crores can avail of a tax exemption of up to 25% of their income.
- 2. GST Benefits:** MSMEs can avail of GST benefits like:
 - Composition scheme (1% tax rate)
 - Exemption from GST registration (turnover up to ₹40 lakhs)
 - Lower GST rates (5% or 12%) for specific industries
- 3. Customs Duty Exemption:** MSMEs can avail of customs duty exemption on imports of capital goods, raw materials, and components.
- 4. Excise Duty Exemption:** MSMEs can avail of excise duty exemption on goods manufactured and sold within India.
- 5. VAT Exemption:** MSMEs can avail of VAT exemption on sales within Maharashtra (up to ₹50 lakhs).
- 6. Entry Tax Exemption:** MSMEs can avail of entry tax exemption on goods imported into Maharashtra.
- 7. Stamp Duty Exemption:** MSMEs can avail of stamp duty exemption on documents related to loans, mortgages, and property transactions.
- 8. Electricity Duty Exemption:** MSMEs can avail of electricity duty exemption on power consumption.
- 9. Water Cess Exemption:** MSMEs can avail of water cess exemption on water consumption.
- 10. Patent Filing Subsidy:** MSMEs can avail of a subsidy (up to 50%) on patent filing fees.
- 11. Trademark Filing Subsidy:** MSMEs can avail of a subsidy (up to 50%) on trademark filing fees.
- 12. ISO Certification Subsidy:** MSMEs can avail of a subsidy (up to 50%) on ISO certification fees.

I. MSMEs in Maharashtra, can avail of R&D support through various initiatives, including:

1. Government-funded research institutions:

- National Research Centre for Citrus (NRCC)
- Maharashtra Agricultural University (PDKV)
- Indian Institute of Technology (IIT)

2. Research grants and funding schemes:

- Department of Science and Technology (DST)
- Ministry of Micro, Small and Medium Enterprises (MoMSME)
- Maharashtra State Innovation Society (MSIS)

3. Industry-academia collaboration:

- Collaborative research projects with local universities and colleges
- Internship and training programs for students and faculty

4. Technology development and transfer:

- National Technology Transfer Centre (NTTC)
- Society for Research and Initiatives for Sustainable Technologies and Institutions (SRISTI)

5. Incubation and acceleration programs:

- Incubation Centre (WIC)
- Maharashtra State Innovation Incubator (MSII)

6. Mentorship and consultancy:

- MSME Development Institute (MSME-DI)
- Small Industries Development Bank of India (SIDBI)

7. Access to research facilities and equipment:

- Research institutions and universities
- Common Facility Centres (CFCs)

8. Training and capacity building:

- Workshops and seminars on R&D and innovation
- Skill development programs for MSMEs

9. Patent and intellectual property support:

- Patent filing and prosecution assistance
- Intellectual property rights (IPR) protection and management

10. Industry-specific R&D support:

- Sector-specific research and development initiatives

J. MSMEs in Maharashtra, can avail of export support through various initiatives, including:

1. Export Promotion Councils:

- Maharashtra Chamber of Commerce, Industry and Agriculture (MCCIA)
- Federation of Indian Export Organisations (FIEO)

2. Government schemes:

- Merchandise Exports from India Scheme (MEIS)
- Service Exports from India Scheme (SEIS)
- Export Oriented Unit (EOU) Scheme

3. Export financing:

- Export Credit Guarantee Corporation of India (ECGC)
- Export-Import Bank of India (Exim Bank)

4. Market access initiatives:

- Trade missions and delegations
- International trade fairs and exhibitions

5. Export training and capacity building:

- Export orientation programmes
- Training on international trade procedures

6. Infrastructure support:

- Development of export infrastructure (e.g., container freight stations)
- Upgradation of existing infrastructure (e.g., airports, seaports)

7. Regulatory support:

- Simplification of export procedures
- Assistance with regulatory compliance

8. Market research and intelligence:

- Market research reports
- Trade analytics and data analysis

9. Brand promotion:

- Promotion of "Made in India" brand
- Support for product branding and marketing

10. E-commerce support:

- Assistance with online marketplaces
- E-commerce training and capacity building

K. Digital empowerment for MSMEs in Maharashtra, can be achieved through various initiatives:

1. Digital literacy training
2. Website development and e-commerce platforms
3. Social media marketing and online presence
4. Digital payment and transaction facilitation
5. Cloud computing and data storage solutions
6. Cyber security and data protection measures
7. Online marketplaces and e-commerce integrations
8. Digital marketing and advertising support
9. Access to digital tools and software
10. Training on digital technologies like AI, IoT, and blockchain
11. Digital skill development programs
12. Online mentorship and support services

13. Digital infrastructure development (e.g., fiber optic connectivity)
14. Access to digital payment systems (e.g., UPI, POS)
15. Digital tax compliance and accounting solutions

Some organizations that offer digital empowerment initiatives for MSMEs:

- Maharashtra State Innovation Society (MSIS)
- Maharashtra Information Technology Corporation (MITC)
- Small Industries Development Bank of India (SIDBI)
- National Small Industries Corporation (NSIC)
- Digital India initiative by the Government of India

8. STEPS TO SETUP MSMEs

Following are the brief description of different agencies for rendering assistance to the entrepreneurs.

S. No.	Type of assistance	Name and address of agencies
1.	Provisional Registration Certificate (EM-1) & Permanent Registration Certificate (EM-II)	General Manager, District Industries Centre Udyog Bhawan, civil Lines, Nagpur.
2.	Identification of Project Profiles, techno-economic and managerial consultancy services, market survey and economic survey reports.	The Director MSME-DI,CGO Complex, Block C, Seminary Hills, Nagpur 0712-2510046,2510352
3.	Land and Industrial shed	The Manager, MIDC, Udyog Bhawan, civil Lines, Nagpur.
4.	Financial Assistance	The A.G.M., SIDBI, National Insurance Building, Kingsway, Nagpur
5.	For raw materials under Govt. Supply	The Manager, MSSIDC, Near Lokmat Bhawan, Wardha Road, Nagpur.
6.	Plant and machinery under hire/purchase basis.	The Manager, NSIC, NDTA Complex, Opp. Liberty Cinema, Residency Road, Sadar, Nagpur.
7.	Power/Electricity	The Executive Engineer, SPANCO, Nagpur.
8.	Technical Know-how.	The Director MSME-DI,CGO Complex, Block C, Seminary Hills, Nagpur 0712-2510046,2510352
9.	Quality& Standard	BIS 2 nd Floor, NIT Complex, Gokulpeth, Nagpur.
10.	Marketing/Export Assistance	The Director MSME-DI,CGO Complex, Block C, Seminary Hills, Nagpur 0712-2510046,2510352

9. Industrial Policy of Government of Maharashtra

(<https://www.midcindia.org/investors/industrial-policies-and-incentives>)

Magnetic Maharashtra- Attractions Unlimited

Maharashtra is the most favoured destination for industries owing to its well-developed infrastructure, skilled workforce, strategic location with good transportation network, Progressive Sectorial Policies, best incentive policy and much more. Because of this, Maharashtra has been able to attract highest investments from within and outside India and it has emerged as a brand “MAGNETIC MAHARASHTRA- Attractions Unlimited”.

Strategically Located: Maharashtra is the third-largest state in India in terms of area and the second-largest in terms of population. It stretches over 307,690 sq.km with a total estimated population of 112.4 million (Census 2011). The Arabian Sea makes up the State's western coast and accounts for a 720 km long coastal line. As per Census 2011, the State is highly urbanized at 45.2%. It is also the wealthiest state in India, by all major economic parameters. The state capital, Mumbai, which is also financial capital of India is one of the largest metropolitan area in the world and India's largest and most populous city. In the age of free movement of goods, post implementation of GST in India, the State is best suited for manufacturing aimed at both national and international markets because of its geographical location as a major business hub connecting North and South India.

Well-developed Infrastructure: The State is well connected to major industrial and consumption centers through road, rail, air and port connectivity. With power generation capacity of over 43,000 MW, Maharashtra ensures 24x7 power supply to its industries. Through Maharashtra Industrial Development Corporation (MIDC), the state also ensures land (both developed and undeveloped) availability to the investors.

- a. **Road network:** National highways of around 22,000 km are passing through the state. Futuristic expressway projects such as Maharashtra Samruddhi Mahamarg - a super communication expressway and an industrial corridor connecting Nagpur and Mumbai, and Mumbai and Vadodara Expressway - 380 km long, six-lane, controlled-access expressway, connecting the cities of Vadodara, Gujarat and Mumbai, Maharashtra are under construction.
- b. **Rail network:** Two major railway zones are enhancing the State's connectivity to the domestic market. Maharashtra has longest metro rail network of around 233 km under construction in the country with ongoing metro projects such as Mumbai metro, Nagpur metro and Pune metro.
- c. **Airport and seaports:** Maharashtra has 7 domestic airports and 4 international airports and further the state government is developing 10 new airports of which Shirdi, Nashik, Nanded, Kolhapur and Jalgaon airports are currently functional and Ratnagiri, Gondia, Sindhudurg and Amaravati airports are yet to come up. The state is well connected to the world via sea through 2 major ports and 53 minor ports.

Abundant Highly qualified and Skilled Labour Pool: The state is home to 20 state universities, 21 deemed universities and several institutes of national importance like Indian Institutes of Technology (IIT), Indian Institutes of Management (IIM), National Institute of Fashion Technology (NIFT), National Institute of Pharmaceutical Education and Research (NIPER), Tata Institute of Social Sciences (TISS), National Institute of Construction Management and Research (NICMAR), Institute of Chemical Technology (ICT) etc. More than 6,000 institutes in the state enrolls over 1.6 million students per annum.

Established Industrial Ecosystem: Several renowned industrial units have come up as a

result of the supporting Industrial policy environment. As per Economic Survey of Maharashtra the expected growth of manufacturing sector in 2017-18 is 7.6 per cent. The state has well developed industrial ecosystem for various industries including Automobile (Pune and Aurangabad region), ESDM (Pune region), Pharmaceuticals & Chemicals (Mumbai-Thane, Aurangabad and Pune region), Engineering (Ahmednagar- Nashik, Pune and Aurangabad region, FMCG (Pune region), Textile (Solapur and Nagpur-Amravati region), Food Processing (Solapur, Ahmednagar-Nashik, Nagpur- Amravati region), Logistics (Mumbai-Thane and Nagpur-Amravati region), Cement and Steel industry (Vidarbha-Marathwada region) and IT & ITES (Mumbai-Thane, Pune and Nagpur-Amravati region). During 2014 to 2018, 119 private IT parks with an investment of approximately INR 192.60 billion and employment of 5,50,000 have come up in the state.

Ease of Doing Business: Dedicated investor facilitation cell and online Single Window portal has been established under Maharashtra Industry, Trade & Investment Facilitation Cell (MAITRI). The Single Window Portal has provision for single application, payment, tracking and monitoring of majority of industry related approvals across various departments of the State Government. MAITRI cell also acts as a grievance redressal cell. It provides G2B services, one-stop-shop for existing and prospective investors. As per World Bank Doing Business report 2019 (assessment covering 190 economies), India was ranked 77, a massive jump of 23 positions against its rank of 100 in 2018 and 130 in 2017. In the ranking, evaluation of cities of Mumbai and Delhi is done (cities with population over 10 million). Mumbai has been the largest contributor in achieving quantum jump in the World Bank ranking. **As per ‘Asian Competitiveness Institute of Lee Kuan Yew School of Public Policy of Singapore’ index on ease of doing business in 2016, Maharashtra ranks first in the country.**

Conducive Policy Environment and Proven Track Report : Maharashtra has progressive sectional policies for industries aimed at improving business environment in the state. In light of these policies, the state is able to maintain its leadership position in industrial investment. Mega events were organized in the State such as Magnetic Maharashtra and Make in India along with State’s participation in various national and international road shows. All these efforts resulted in receipt of industrial investment proposals over INR 8 lakh crore in the last five years.

2. Vision

‘Maharashtra - a global investment, manufacturing and technology hub, promoting sustainable development’.

3. Mission

To make Maharashtra first US\$1 trillion economy in the country, by augmenting manufacturing ecosystem, complemented by ease of doing business initiatives, thereby evolving it into a preferred destination for global manufacturers and investors, resulting into largest employment creating state with balanced regional and inclusive growth, by 2025.

4. Target

- a. To attain manufacturing sector growth rate of 12% to 13% to reach GSDP share of 25% by 2023-24.
- b. Attract investments worth INR 10 lakh crore by 2023-24.
- c. Create employment opportunities for 40 lakh people by 2023-24.

5. Policy Objectives and Strategies

To retain leadership position in industrial investment by providing conducive business environment. Developing dedicated state-of-the-art infrastructure based on sector specific requirements.

Creating land bank for industries through MIDC

Providing special fiscal incentive packages to projects of importance including emerging technologies.

Promoting investments through sector specific promotion/policies with focus on identified thrust sectors.

Creating government, industry and academia interface.

Incentivizing investments in R&D and startups.

Facilitating Ease of Doing Business initiatives and strengthening Maharashtra's Single Window System i.e. MAITRI - an online portal, to make it a single point for delivery of services.

Setting up of State level councils for promotion of investments and exports.

To promote processing of agricultural produce for enhancing farmer's income.

To sustain high levels of employment generation, primarily through MSME promotion -

Launching a new flagship scheme - Chief Minister Employment Generation Program (CMEGP) for SMEs thereby creating major employment opportunities

Formulating special fiscal incentives package for MSME and small projects.

Strengthening employment intensive MSME sector through cluster development.

Creating institutional support system for MSME units to improve technology absorption and dissemination, market analysis, training, among others.

Providing additional fiscal support to employment based Mega/Ultra mega projects thereby generating higher employment.

Promoting skilled workforce through closer coordination between industries, technical institutes and skill development department.

To promote regionally balanced, environmentally sustainable and inclusive industrial growth -

Special fiscal incentives to industrial units in under-developed regions.

Creation of Critical Infrastructure Fund for last mile connectivity.

Support infrastructure creation in private industrial parks.

Financial incentives for infrastructure in industrial areas for MSMEs, women and SC/ST entrepreneurs.

Supporting revival of sick and closed units.

Ensuring environmental sustainability by providing incentives for green industrialization.

6. Policy Period

This policy shall be valid for a period of five years from **1st April, 2019**.

7. Creating Well-developed Industrial Infrastructure -

Quality infrastructure is a key driver for industrial growth. It is also very important for attracting global manufacturers, investors and other corporates to the State. Although Maharashtra has one of the best industrial infrastructure in place, concerted efforts will be made to develop and strengthen state of the art infrastructure in various industrial estates spread across the State. MIDC will continue to be dedicated agency for developing necessary industrial infrastructure.

Leveraging Special Projects -

Department of Industries, Government of Maharashtra, shall promote setting up of industrial clusters along the special projects declared by Central/State Government such as Maharashtra Samruddhi Mahamarg, Delhi Mumbai Industrial Corridor (DMIC), Sagarmala, Bharatmala, etc. MIDC will be the nodal agency for development of industrial nodes along the special projects of Central/State Government.

Maharashtra Samruddhi Mahamarg –

Maharashtra Samruddhi Mahamarg is a super communication expressway of 700 km length connecting Nagpur and Mumbai, passing through 10 major and 14 other influence districts. Along the expressway 20 industrial areas are being planned which will transform the economy of the rural areas in influence region. MIDC will be the planning authority for industrial layouts in these nodes. The expressway will reduce the travel time drastically. Logistics and warehousing hubs are being planned along the way with Nagpur-Wardha as a major logistics corridor. It would also be developed as Electric Vehicle (EV) expressway by setting up charging stations along its length.

Critical Industrial Infrastructure Fund -

In industrial areas mainly outside MIDC, there are some critical infrastructure issues like last mile road connectivity, dedicated power feeder, water supply etc. which is causing hindrance in the production and evacuation of goods. There has been huge demand for funds from various stakeholders for such kind of basic infrastructural needs which are not addressed by any Department in their budget plan. Considering this requirement and visible impact, **Critical Industrial Infrastructure Fund (CIIF)** which was created during the previous policy will be continued with an enhanced corpus of **INR 1,000 crore** over this policy period.

Promotion of Private Industrial Infrastructure Development -

As the land in MIDC industrial estates is scarce, it has resulted in unplanned industrial development in many areas. To streamline this and to promote local entrepreneurship, the State aims to attract private investment in development of private industrial estates, with focus on MSMEs.

8. Promotion of Thrust Sectors -

With a view to steer industrial development towards high tech emerging sectors and generates employment, the State Government has identified following thrust sectors. Thrust sectors shall be accorded priority in land allotment and incentives.

Electric Vehicles (Manufacturing, Infrastructure and Servicing)

Aerospace and Defence Manufacturing

Industry 4.0 (Artificial Intelligence, 3D Printing, Internet of Things and Robotics, Nanotechnology, among others)

Promotion of Integrated Data Centre Parks (IDCP)

Textile Machinery Manufacturing

Biotechnology and Medical and Diagnostic Devices

Agro & Food Processing (Secondary and Tertiary Food Processing units)

Information Technology (IT) & IT Enabled Services (ITES)

Electronic Systems Design & Manufacturing (ESDM) and Semiconductor Fabrication (FAB)

Logistics & Warehousing
Green Energy/ Bio Fuel Production
Sports and Gym Equipment Manufacturing
Nuclear Power plant equipment manufacturing
Mineral / Forest based Industries

9. Promotion of Micro, Small and Medium Enterprises (MSMEs) and Small Industries:-

MSMEs are the backbone of State's economy. With more than 3 million MSMEs, Maharashtra has largest number of MSME in the country, which contributes more than 80 per cent of the total employment. MSMEs are best placed to utilize local resources and create local entrepreneurship and employment. About 40% of the exports originate from MSMEs.

District-wise identification of potential MSMEs
Launching of new flagship scheme - Chief Minister Employment Generation Programme (CMEGP) –
Institutional Support to MSMEs
Cluster Promotion
Facilitating Public Funding for MSMEs
Advisory Cell on Insolvency and Bankruptcy Resolution for MSMEs
Fiscal Incentives to MSMEs

10. Attracting Large, Mega and Ultra-Mega Investments

Maharashtra has the largest number of Large and Mega projects in the country. These Large, Mega and Ultra-Mega projects have a proven track record of providing multi-faceted benefits to the State in terms of revenue and employment generation. To leverage the benefits further, concerted efforts are made in the policy to ensure regionally balanced and inclusive growth of the industry.

Large Scale Industries
Mega and Ultra Mega Projects

11. Green Industrialization Assistance

Maharashtra is a frontrunner state in sustainable development initiatives and promotes green industrialization, so as to minimize adverse environmental impact.

12. Promoting Research and Development (R&D)

R&D is crucial in enhancing the productivity and economic growth of a region. A robust R&D infrastructure directly contributes to sustained growth and creates employment opportunity for scientific community.

13. Promoting Ecosystem for Startups

As a policy, it has been the endeavor of State Government to promote innovative start-ups by providing necessary infrastructure, and creating facilitating environment involving young entrepreneurs to enable sharing of their ideas and help them by handholding, mentoring and providing them financial assistance.

14. Revival and Unlocking Assets Tied Up in Closed Units -

Considering the immense flow of investment intentions in the State (due to initiatives like Make in India and Magnetic Maharashtra) in the last few years and the policy target of Rs. 10 Lakh Crore investment in the next five years, the State requires land to realize investments.

Land in Maharashtra is a scarce resource especially in developed regions. To address this issue, the State Government will incentivize industries to invest in under-developed areas. Further, the State intends to unlock land locked up in closed/unviable units.

Amnesty scheme

Unlocking assets tied up in closed units -

- 15.** Walk to work concept

- 16.** Facilitating Ease of Doing Business in the State

Ease of Doing Business is an indicator of clear, speedy and hassle-free regulations for businesses. In order to create a facilitating business environment below mentioned interventions are targeted:

Strengthening Maharashtra Industry, Trade & Investment Facilitation Cell(MAITRI)

- 17.** Initiatives for Promotion of Trade and Commerce

Administrative wing to support Trade and Commerce

Establishment of Global Investment Promotion Council

- 18.** Export Promotion Initiatives

Setting up of Export Promotion Council

Export Infrastructure Support

Venture Capital Fund

- 19.** Special Initiatives

Special Incentives for Industries in the underdeveloped districts of Maharashtra

Special Incentives for Industries in Agro & Food Processing, Green energy/ bio-fuel and Industry 4.0

Special Incentives for SC/ST and Women Entrepreneurs

- 20.** State Level Udyog Awards

- 21.** Strengthening of District Industry Centres

- 22.** Apex Institute for Promotion of Entrepreneurship

Apex Institute for Promotion of Entrepreneurship

Setting up of State of the Art Exhibition-cum-Convention Centre

- 23.** Corporate Social Responsibility (CSR) Activities in the State

- 24.** Sector Specific Policies

The Ministry of Micro, Small and Medium Enterprises, Government of India has started a unique document for micro, small and medium sized enterprises in India. It is a 12-digit Unique Identification Number (UIN) also called Udyog Aadhaar or Aadhaar for Businesses, MSME Registration, etc. Moreover, Udyog Aadhaar Certificate is also provided by the Government to certify Micro, Small and Medium Enterprises.

9. Benefits of Udyam Registration

Following are the benefits of Udyam Registration:

- Helps in providing bank loan without collateral or mortgage
- Helps in tax exemption of direct tax
- You can avail interest at lower rate
- In case of patent registration 50% grant is available
- Reimbursement of ISO certification
- Makes the process of availing licences, approvals and other registrations easy
- Concession in electricity bill and more
- Eligibility for government subsidies
- Applying for current bank accounts for businesses is easier and faster
- Barcode registration subsidy
- Manufacturing and production sector policies
- Offers Octroi benefits under the package Scheme of Incentives, 1993
- Provides protection against any delay in payments
- Subsidy on NSIC performance & Credit Ratings for those having MSME Registration

9.1. Eligibility for Udyam Registration

The eligibility criteria for Udyam Aadhaar registration is not for all businesses but for the entities that are categorised as Micro, Small or Medium Enterprise. Take a look at the table below for eligibility criteria in investment in plant and machinery as per the ministry:

Category	Turnover	Investment
Micro Enterprise	Up to Rs. 5 Crore	Up to Rs. 1 Crore
Small Enterprise	Up to Rs.50 crore	Up to Rs.10 crore
Medium Enterprise	Up to Rs.250 crore	Up to Rs.50 crore

9.2. Documents required for Udyam Registration

For registration of Udyog Aadhaar Online, no documents are required, but you have to furnish following details:

1. Aadhaar Number

2. PAN Number – It is mandatory for the following to provide PAN Number for Udyog Aadhaar Registration:

- Co-operative
- Private Limited
- Public Limited
- Limited Liability Partnership
- For all the other organizations it is optional to provide PAN Number

3. Bank Details- You need to provide your Bank details, the IFSC Code of the participating bank branch where your account exists

1. Date of Commencement
2. Key Details of service or manufacturing
3. Type of Organisation
4. Location of service/ manufacturing plant
5. Official Address
6. Number of people of employed
7. Mobile Number

10. Child Labour Law

2A. Awareness on prohibition of employment of child and adolescents in contravention to Act.- The Central Government, to ensure that the children and adolescents are not employed or permitted to work in any occupation or process in contravention to the provisions of the Act, through appropriate measures, shall –

- (a) arrange public awareness campaigns using folk and traditional media and mass media including television, radio, internet based application and the print media to make the general public, including the employers and the children and adolescents who may be employed in contravention to the provisions of the Act, aware about the provisions of the Act, and thereby discourage employers or other persons from engaging children and adolescents in any occupation or process in contravention of the provisions of the Act;
- (b) promote reporting of enterprises or instances of employment of children or adolescents in contravention to the provisions of the Act, by developing and advertising easily accessible means of communication to authorities specified by the Central Government;
- (c) display to the possible extent the provisions of the Act, these rules and any other information relating thereto in railway coaches, at railway stations, major bus stations, toll plazas, ports and port authorities, airports and other public places including shopping centers, markets, cinema halls, hotels, hospitals, Panchayat offices, police stations, resident welfare association offices, industrial areas, schools, educational institutions, court complexes, and offices of all authorities authorised under the Act;
- (d) promote through appropriate method the inclusion of the provisions of the Act in learning material and syllabus in school education; and
- (e) promote inclusion of training and sensitisation material on the provisions of the Act and the responsibilities of various stakeholders thereto, in Central Labour Service, police, judicial and civil service academies, teachers training and refresher courses and arrange sensitisation programmes for other relevant stakeholders including, Panchayat members, doctors and concerned officials of the Government.

2B. Child to help his family without affecting education.- (1) Subject to the provisions of section 3, a child may, without affecting his school education, in any manner, –

- (a) help his family in his family enterprise, subject to the condition that such help, --
 - (i) shall not be in any hazardous occupation or process listed in Part A and Part B of the Schedule to the Act;
 - (ii) shall not include work or occupation or process at any stage of the manufacturing, production, supply or retail chain that is remunerative for the child or his family or the family enterprise;
 - (iii) shall only be allowed to help in his family, or in a family enterprise, where his family is the occupier;
 - (iv) shall not perform any tasks during school hours and between 7 p.m. and 8 a.m.;
 - (v) shall not be engaged in such tasks of helping which hinders or interferes with the right to education of the child, or his attendance in the school, or which may adversely affect his

education including activities which are inseparably associated to complete education such as homework or any extracurricular activity assigned to him by the school;

(vi) shall not be engaged in any task continuously without rest which may make him tired and shall be allowed to take rest to refresh his health and mind, and a child shall not help for more than three hours excluding the period of rest in a day;

(vii) shall not include in anyway substitution of the child for an adult or adolescent while helping his family or family enterprise; and

(viii) shall not be in contravention to any other law for the time being in force;

(b) aid or assist his family in such manner which is not incidental to any occupation, work, profession, manufacture or business, or for any payment or benefit to the child or any other person exercising control over the child, and which is not detrimental to the growth, education and overall development of the child.

2C. Child to work as an artist.-

(1) Subject to the provisions of section 3, a child may be allowed to work as an artist subject to the following conditions, namely: –

(a) no child shall be allowed to work for more than five hours in a day, and for not more than three hours without rest;

(b) any producer of any audio –visual media production or any commercial event involving the participation of a child, shall involve a child in participation only after obtaining the permission from the District Magistrate of the district where the activity is to be performed, and shall furnish to the District Magistrate before starting the activity an undertaking in Form C and the list of child participants, consent of parents or guardian, as the case may be, name of the individual from the production or event who shall be responsible for the safety and security of the child, and ensure that all screening of his films and television programmes shall be made with a disclaimer specifying that if any child has been engaged in the shooting, then, all the measures were taken to ensure that there has been no abuse, neglect or exploitation of such child during the entire process of the shooting;

(c) the undertaking referred to in clause (b) shall be valid for six months and shall clearly state the provisions for education, safety, security and reporting of child abuse in consonance with the guidelines and protection policies issued by the Central Government from time to time for such purpose including

(i) ensuring facilities for physical and mental health of the child;

(ii) timely nutritional diet of the child;

(iii) safe, clean shelter with sufficient provisions for daily necessities; and

(iv) compliance to all laws applicable for the time being in force for the protection of children, including their right to education, care and protection, and against sexual offences;

(d) appropriate facilities for education of the child to be arranged so as to ensure that there is no discontinuity from his lessons in school and no child shall be allowed to work consecutively for more than twenty-seven days;

(e) one responsible person be appointed for maximum of five children for the production or event, so as to ensure the protection, care and best interest of the child;

(f) at least twenty per cent, of the income earned by the child from the production or event to be directly deposited in a fixed deposit account in a nationalised bank in the name of the child which may be credited to the child on attaining majority; and

(g) no child shall be made to participate in any audio visual and sports activity including informal entertainment activity against his will and consent.

15A. Hours of work.— Subject to the provisions of section 7, no adolescent shall be required or permitted to work in an establishment in excess of such number of hours of work as is permissible under the law for the time being in force regulating the hours of work of the adolescent in such establishment.

6. In rule 16 of the principal rules, in sub-rule (1), for the word —children, the word —adolescents— shall be substituted.

7. After rule 16 of the principal rules, the following rule shall be inserted, namely:- —

16A. Payment of amount to child or adolescent from and out of Child and Adolescent Labour Rehabilitation Fund.—

(1) The amount credited, deposited or invested, as the case may be, under sub-section (3) of section 14B to the Child and Adolescent Labour Rehabilitation Fund and the interest accrued on it, shall be paid to the child or adolescent in whose favour such amount is credited in the following manner, namely:-

(i) the Inspector or the nodal officer having jurisdiction shall, under his supervision, ensure that an account of such child or adolescent is opened in a nationalised bank and inform the bank in which the amount of the Fund is deposited or, as the case may be, to the officer responsible to invest the amount of the Fund under sub-section (3) of section 14B;

(ii) the interest accrued on the proportionate amount of the Fund in favour of the child or adolescent shall be transferred every six months to the account of the child or adolescent, as the case may be, by the bank or officer responsible to invest the amount under information to the Inspector;

(iii) when the concerned child or adolescent completes the age of eighteen years, then, as soon as may be possible forthwith or within a period of three months, the total amount credited, deposited or invested in favour of the child along with interest accrued thereon remaining in the bank or remaining so invested under sub-section (3) of section 14B, shall be transferred to the said bank account of child or adolescent, as the case may be; and

(iv) the Inspector shall prepare a report of the amount transferred under clause (ii) and clause (iii) with particulars of the concerned child or adolescent sufficient to identify him and send a copy of the report annually to the Central Government for information.

(2) Any amount recovered by way of fine or for composition of offences in pursuance of an order or judgement of a Court in favour of a child or adolescent for the contravention of the provisions of the Act, shall also be deposited in the Fund and shall be spent in accordance with such order or judgement.

11. Labour Insurance & ESIC in District

Government of India has introduced a pension scheme for unorganised workers namely **Pradhan Mantri Shram Yogi Maan-dhan (PM-SYM)** to ensure old age protection for Unorganised Workers.

The unorganized workers mostly engaged as home based workers, street vendors, mid-day meal workers, head loaders, brick kiln workers, cobblers, rag pickers, domestic workers, washer men, rickshaw pullers, landless laborer's, own account workers, agricultural workers, construction workers, beedi workers, handloom workers, leather workers, audio- visual workers and similar other occupations whose monthly income is Rs 15,000/- per month or less and belong to the entry age group of 18-40 years. They should not be covered under New Pension Scheme (NPS), Employees' State Insurance Corporation (ESIC) scheme or Employees' Provident Fund Organisation (EPFO). Further, he/she should not be an income tax payer.

2. Features of PM-SYM: It is a voluntary and contributory pension scheme, under which the subscriber would receive the following benefits : **(i) Minimum Assured Pension:** Each subscriber under the PM-SYM, shall receive minimum assured pension of Rs 3000/- per month after attaining the age of 60 years. **(ii) Family Pension:** During the receipt of pension, if the subscriber dies, the spouse of the beneficiary shall be entitled to receive 50% of the pension received by the beneficiary as family pension. Family pension is applicable only to spouse. **(iii)** If a beneficiary has given regular contribution and died due to any cause (before age of 60 years), his/her spouse will be entitled to join and continue the scheme subsequently by payment of regular contribution or exit the scheme as per provisions of exit and withdrawal.

3. Contribution by the Subscriber: The subscriber's contributions to PM-SYM shall be made through 'auto-debit' facility from his/ her savings bank account/ Jan- Dhan account. The subscriber is required to contribute the prescribed contribution amount from the age of joining PM-SYM till the age of 60 years.

4. Matching contribution by the Central Government: PM-SYM is a voluntary and contributory pension scheme on a 50:50 basis where prescribed age-specific contribution shall be made by the beneficiary and the matching contribution by the Central Government as per the chart. For example, if a person enters the scheme at an age of 29 years, he is required to contribute Rs 100/- per month till the age of 60 years an equal amount of Rs 100/- will be contributed by the Central Government.

5. Enrolment Process under PM-SYM: The subscriber will be required to have a mobile phone, savings bank account and Aadhaar number. The eligible subscriber may visit the nearest **Common Services Centres (CSC eGovernance Services India Limited (CSC SPV))** and get enrolled for PM-SYM using Aadhaar number and savings bank account/ Jan-Dhan account number on self-certification basis. Later, facility will be provided where the subscriber can also visit the PM-SYM web portal or can download the mobile app and self-register using Aadhaar number/ savings bank account/ Jan-Dhan account number on self-certification basis.

6. Enrollment agencies: The enrolment will be carried out by all the Common Services Centres. The unorganized workers may visit their nearest CSC along with their Aadhaar Card and Savings Bank account passbook/Jandhan account and get registered themselves for the

Scheme. Contribution amount for the first month shall be paid in cash for which they will be provided with a receipt.

7. Facilitation Centres: All the branch offices of LIC, the offices of ESIC/EPFO and all Labour offices of Central and State Governments will facilitate the unorganized workers about the Scheme, its benefits and the procedure to be followed, at their respective centres. In this respect, the arrangements to be made by all offices of LIC, ESIC, EPFO all Labour offices of Central and State Governments are given below, for ease of reference:

1. All LIC, EPFO/ESIC and all Labour offices of Central and State Governments may set up a “Facilitation Desk” to facilitate the unorganized workers, guide about the features of the Scheme and direct them to nearest CSC
2. Each desk may consist of at least one staff.
3. They will have backdrop, stand at the main gate and sufficient number of brochures printed in Hindi and regional languages to be provided to the unorganized workers.
4. Unorganized workers will visit these centres with Aadhaar Card, Savings bank account/Jandhan account and mobile phone.
5. Help desk will have onsite suitable sitting and other necessary facilities for these workers.
6. Any other measures intended to facilitate the unorganized workers about the Scheme, in their respective centres.

8. Fund Management: PM-SYM will be a Central Sector Scheme administered by the Ministry of Labour and Employment and implemented through Life Insurance Corporation of India and CSC e-Governance Services India Limited (CSC SPV). LIC will be the Pension Fund Manager and responsible for Pension pay out. The amount collected under PM-SYM pension scheme shall be invested as per the investment pattern specified by Government of India.

9. Exit and Withdrawal: Considering the hardships and erratic nature of employability of these workers, the exit provisions of scheme have been kept flexible. Exit provisions are as under:

- (i) In case subscriber exits the scheme within a period of less than 10 years, the beneficiary's share of contribution only will be returned to him with savings bank interest rate.
- (ii) If subscriber exits after a period of 10 years or more but before superannuation age i.e. 60 years of age, the beneficiary's share of contribution along with accumulated interest as actually earned by fund or at the savings bank interest rate whichever is higher.
- (iii) If a beneficiary has given regular contributions and died due to any cause, his/ her spouse will be entitled to continue the scheme subsequently by payment of regular contribution or exit by receiving the beneficiary's contribution along with accumulated interest as actually earned by fund or at the savings bank interest rate whichever is higher.
- (iv) If a beneficiary has given regular contributions and become permanently disabled due to any cause before the superannuation age, i.e. 60 years, and unable to continue to contribute under the scheme, his/ her spouse will be entitled to continue the scheme subsequently by

payment of regular contribution or exit the scheme by receiving the beneficiary's contribution with interest as actually earned by fund or at the savings bank interest rate whichever is higher.

(v) After the death of subscriber as well as his/her spouse, the entire corpus will be credited back to the fund.

(vi) Any other exit provision, as may be decided by the Government on advice of NSSB.

11. Default of Contributions: If a subscriber has not paid the contribution continuously he/she will be allowed to regularize his contribution by paying entire outstanding dues, along with penalty charges, if any, decided by the Government.

12. Pension Pay out: Once the beneficiary joins the scheme at the entry age of 18-40 years, the beneficiary has to contribute till 60 years of age. On attaining the age of 60 years, the subscriber will get the assured monthly pension of Rs.3000/- with benefit of family pension, as the case may be.

11.1. Applicability of the ESI Scheme

The ESI scheme is applicable to all factories and other establishments as defined in the ESI Act with 10 or more persons (20 or more in some states) employed in such establishments. However, only those employees are covered under the ESI scheme whose monthly wages do not exceed Rs.21,000 (Rs.25,000 in the case of a person with a disability)

The scheme under the ESI Act also applies to the following:

Shops
Restaurants
Hotels
Cinema Theaters
Road Motor Transports undertakings
Newspaper establishments and undertakings
Educational institutions
Medical institutions
Contract and casual employees of Municipal Corporations or Municipal Bodies

It also applies to the following establishments under the Central Government employing 20 or more persons engaged in:

Insurance business
Non-banking Financial Companies (NBFCs)
Airport authorities
Port trusts
Warehousing establishments

Features of the ESI Scheme

Complete medical care and attention are provided by the scheme to the employees registered under the ESI Act, 1948 at the time of his incapacity, restoration of his health and working capacity.

During absenteeism from work due to illness, maternity or factories accidents which result in loss of wages complete financial assistance is provided to the employees to compensate for the wage loss.

The scheme provides medical care to family members also. As of 31 March 2022, the total number of beneficiaries covered under this scheme is 12.04 crore.

Broadly, the benefits under this scheme are categorized under two categories:

Cash benefits (which includes sickness, maternity, disablement - temporary and permanent, funeral expenses, rehabilitation allowance, vocational rehabilitation and medical bonus) and,

Non-cash benefits through medical care.

The scheme is self-financing and being contributory in nature. The funds under the ESI scheme are primarily built out of the contribution from the employees and employers payable monthly at a fixed percentage of wages paid.

Currently, the employee contribution rate is 0.75% of the wages and that of employers is 3.25% of the wages paid.

The employer makes the contribution from his own share in favour of those employees whose daily average wage is Rs 137 as these employees are exempted from his own contribution.

The employer is required to pay his contribution and deduct employees' contribution from wages and deposit the same with ESIC within 15 days from the last day of the calendar month in which the contribution falls due. The payment can either be done online or through designated and authorized public sector banks.

14. Export Policy 2023 of Government of Maharashtra (*For Detailed Policy the link is <https://maitri.mahaonline.gov.in/PDF/Maharashtra%20Export%20Policy%202023.pdf>*)

Objectives

Double Maharashtra's exports to reach US \$150 Bn by FY 2027-28 from the current US \$72 Bn in FY 2022-23

Establish 30 World Standard Export-Oriented Industrial Parks in Maharashtra within the next 5 years.

Attain 22% of the total state participation towards the country's \$1 trillion export target by 2030.

Policy Focus Areas:

1. Modern Export Infrastructure:

Creating advanced infrastructure to boost exports in collaboration with the state and private partners, encouraging private investments in the state's export plans.

2. Global Market Expansion:

Strengthening market access for local exporters by striking trade deals, participating in international trade events and ensuring top-notch facilities for exporting goods.

3. Supporting Small Business Exports:

Offering incentives to small businesses for exporting their products, promoting innovation, competitive technologies and aligning with global quality standards for gradual export growth.

4. Empowering Exporters:

Providing essential support and training to exporters through partnerships with export promotion councils and trade agencies, creating a conducive environment for export-focused businesses.

5. Simplified Export Processes:

Making exporting easier by improving existing systems, ensuring quick approvals and clearances via a digital platform, creating a single point of contact for export-related permissions.

14.1 The integrated facilities that will be available for investors areas below:

1. Technology and Communication Infrastructure
2. Common Infrastructure and Logistics Facilities
3. Transportation Infrastructure
4. Industrial Buildings and Warehouses
5. Port and Terminal Facilities
6. Trade Support Services
7. Business Support Centres
8. Amenities and Social Infrastructure
9. Commercial areas will be allowed as per norms of Integrated Industrial Area (IIA)
10. Simplified Regulations

14.2 The list of 14 eligible industry sectors is as below:

Large Scale Electronics Manufacturing

White Goods (ACs & LED)

Manufacturing of Medical devices

High Efficiency Solar PV Modules

Electronic/ Technology Products

Automobiles & Auto Components

Pharmaceuticals drugs

Advance Chemistry Cell (ACC) Battery

Telecom and Networking Products

Specialty Steel

Food Products including Aqua Food

Drones & Drone Component

Key Starting Materials/ Drug Intermediaries
and Active Pharmaceuticals Ingredients

Textile Products: MMF segment &
technical textiles

14.3 Fostering Excellence, Elevating Exports in Maharashtra Highlights of the Export Policy 2023

1. Focus on enhancing Maharashtra's participation in the global value chain.
2. Development of world-class export-oriented industrial parks.
3. Institutional arrangements for export facilitation, including the Maharashtra Export Promotion Council (MEPC) and Export

4. Convergence with other state policies to promote export, such as logistics policy, IT/ ITeS policy, textile policy, etc.
5. Commitment to sustainable and inclusive export development, capacity building and quality assurance.
6. Objective to double exports from Maharashtra to reach US \$150 billion by FY 2027-28.
7. Promotion of One District One Product (ODOP) and Geographical Indication (GI) products.
8. Emphasis on ease of doing export (EoDE) through streamlined procedures and single-window clearance.
9. Establishment of Maharashtra International Trade Fair (MITF) for promoting trade and facilitating market access.
10. Formation of Maharashtra Export Facilitation Cell (EFC) to provide comprehensive guidance and assistance to exporters.
